A-N GAP NETWORK

Global Alumni Practice (GAP) Network

A-N GAP Network is the new membership community for A-N training alumni

INTRODUCTION

Dear Analytic-Network Alumni,

At our 2019 A-N Network meeting in London there was a real desire for more continuing professional development (CPD) with a subscription model to deliver it. At our last meeting 2020 we had 48 attendees from across the globe and realised that now is the time to offer a regular programme of CPD events. We are very excited about this initiative and the learning potential it opens for the A-N community. We hope you will join us, and look forward to meeting you in October as we kick off our on-line Practice and Thought Leadership Sessions.

Warm regards,

Simon

Dr Simon Western, CEO & Founder Analytic-Network Coaching Ltd
