## Accelerated Eco-Leadership Development Personalised 1-1 coach led programme

Drawing on published research and theory & tested methodologies

# Accessible, Fast, Deep Learning

- Ten Week Programme
- One-hour commitment per week including preparation and reflection
- 1-1 personal coaching shaped to individual needs
- Harnessing the five-frames of the Analytic-Network Coaching System™

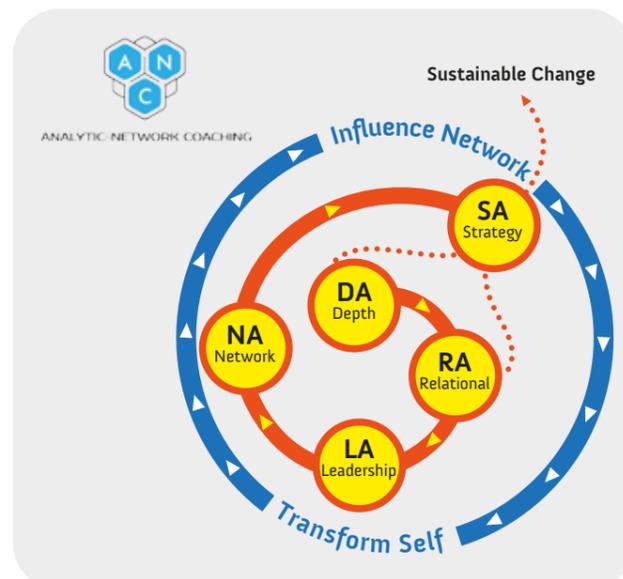

## The Analytic-Network Coaching System™

- **Depth Analysis:** *Coaching the inner-self*  
Coaching leaders to develop personal insight, authenticity, clarifying values, and purpose
- **Relational Analysis:** *Coaching the relational-self*  
Exploring how we relate to others, and how others relate to us, improving our team performance
- **Leadership Analysis:** *Coaching the leader-within*  
Coaching leaders to fulfil their unique leadership potential
- **Network Analysis:** *Coaching the networked-self*  
Locating the leader in their networks and developing a 'networked mindset'.
- **Strategic Analysis:** *Coaching the strategic mindset*  
Developing personal and workplace strategic plans

### Greater than the sum of the parts

Each frame in the A-N Coaching System™ is vitally important in its own right. However, the five-frames together create a very powerful, holistic coaching system that has a profound impact on leaders

The unique Analytic-Network Coaching System delivers a very powerful and holistic approach with profound impact.

## Responding to Disruption

This Eco-Leadership Development Programme has been designed in response to the urgent demand for new leadership because of disruption!

The 'networked society is a disruptive society' - Digital disruption, globalised disruption, environmental disruption and now pandemic disruption.....

Dr Simon Western is an internationally recognised thought leader who has developed the theory and practice of Eco-Leadership to respond to this urgent demand.
